

EVX Midstream Partners Opens New Downtown Houston Office

1.17.17 | Posted By EVX Midstream

Houston, Texas, January 17, 2017 – EVX Midstream Partners, LLC (“EVX”) today announced it has moved its corporate office to 811 Louisiana, Suite 2500, Houston, TX 77002.

“Moving our office to downtown Houston is an important move for EVX as it positions us closer to many of our customers. We are continuing to expand our gathering systems in the [Eagle Ford](#) and being closer to our customers allows us to serve them better,” said Herb Chambers IV, President and CEO of EVX.

EVX is led by its three founders: Herb Chambers IV, President and CEO; Charlie Flynn, Chief Operating Officer; and Brian Kellar, Chief Financial Officer. The EVX leadership team has a demonstrated record of success, with over 50 years of collective experience originating transactions and projects, structuring and developing midstream assets, and operating assets post-acquisition or project completion.

About EVX Midstream

EVX Midstream Partners LLC is a midstream development company focused on acquiring, developing and operating crude oil, natural gas, and produced water gathering, processing, treating and transportation assets in the Eagle Ford, Permian Basin, and Mid-Continent. EVX was founded by Herb Chambers IV, Charlie Flynn and Brian Kellar, in partnership with Five Point Capital Partners LLC. For more information, please visit evx.staging.wpengine.com.
